He is always loaded and ready Another party can not make things block will soon be completed. Work —a natural born orator, who can worse; a settling up of the books convulse an audience with laughter and a discharge of the old party is —Our public school is moving convulse an audience with laughter and a discharge of the old party is one moment and bathe them with needed." So mote it be.

For many long years the Republicans have told the people it would not do for the Democrats to get con- clest Democratic papers in the state, trol of the government; that under the last issue of which, containing the Democratic rule the mills would stop full text of a speech by Hon. James and laborers would be driven out of G. Blair, of Lewis county, has been nation of business and hrrd times years favored the abolition of the would prevail everywhere. During liquor traffic as a beverage, and may the presidential campaigns, particu- be regarded as one of the founders manner. larly, have these doleful predictions of the prohibition idea, but in order been made, and to some extent are to secure prohibition he does not the same stories being repeated, but think it necessary to establish a new with the present hard times the story party In fact, he thinks a state is not calculated to deceive the voters and national prohibition party has a as heretofore. The story has worn tendency to retard the prohibition threadbare, and is found to have no cause. Mr. Blair is strongly in favor foundation, in fact.

THE plea made by the Republicans that as a result of Democratic supremacy in this county exceedingly hard times would necessarily ensue, has lost its scare-crow qualities, and will deceive the honest, intelligent voter ro more. A Republican orator in one of the manufacturing towns in Ohio, in a recent speech, used this same old plea An honest Scotchman, who works in a rolling mill, after hearing the speech, was heard to speak as follows to his companion: "Aye, my mon, that sounds all so vera well, but me and you voted for Garfield and a high tariff. What have we now? The mills and forges be closing all around, mines be stopping, waves going down, and it looks as if the worst be not has

### Colonels Hale and Bell.

Owing to the farmers generally being very busy, there was not a large turn-out to hear these gentle men speak at the court-house last Saturday. Their speeches were brief. though interesting, and edifying to constitution. all who gave them a careful hearing. Colonel Hale is not an extremist; is fair in his arguments, and very kind- is to unite our votes on senators faly disposed toward those who honestly aiffer from him in politics. We will take this occasion to try and stir up our Democratic friends to do their duty, have a little more enthusiasm and show yourselves to be alive. We are afraid that in and prohibition President injure us any. around Keytesville there are a good many Democrats who are like the good deagon that always went to sleep during the sermon, giving as a reason therefor that it wrs not neces sary for him to listen to the preacher; that he had every confidence in the parson and knew the sermon would go on all right anyway. whether he listened or not. After the speaking the embryo of a Cleveland and Hendricks club was started, a number of names were secured enough, we trust, to leaven the whole mass of Democracy in Keytesville township, and secure a unanimous turnout to the barbeone on the 30th inst.

## Judge DeBolt.

The speech of this gentleman, at the Brunswick barbecue, last week showed him conclusively to be a allow me to say that I regret that I than Judge DeBott, and can show speak to you my true sentiments more conclusively the hardships en upon the subject. I hope you will tailed by the unjust provisions of the think none the less of me for so dopeople than he, under the claim, too, enemies. We believe that we are American labor.

Something to Think About. the husbandmen this year. The earth has been burdened with bountiful harvest. Granaries and elevators are filled with peccious grain. Cattle graze upon a thousand hills, but "money that makes the mare go," and drives the wheels of commerce, is wanting. Manufactories, which for years, under Republican rule, have had the benefit of a high protective tariff, have shut down.
